

FUNDRAISING UPDATE

Last term, you helped to raise a total of **£1129.45** which will be used to buy a new greenhouse for our amazing allotment.

These are the things we did together to reach that total;

- The Sponsored Bookathon raised £989.45
- The Book Shop held during the week of World Book Day raised £80.00
- The Easter Raffle raised £60.00

This term, we will fundraise again so that we can take all the children on a visit to the seaside. The money we raise means your child will have a free seat on the coach.

These are the things we hope you will support us with;

- a summer disco for the children Thursday 11 July 5.00 – 6.30 pm
- the Summer Fayre on Saturday 29 June 2019 11am – 1pm
- book shop and playstuff shop during the last week of term

To make this possible, we need your support and help.

On Tuesday 21 May, 10.45 – 11.30 or 12.30 – 1.15

we will be having a coffee morning/afternoon with cake to chat about the Fayre and what we'd like to organise for it.

Please pop in, have a cuppa, slice of cake and share ideas with us about how we can make this

the best Summer Fayre for the whole village to enjoy and break our fundraising record!

Thank you ☺

Summer 2019

Dear parents, grandparents, friends and families

We are looking forward to our last term together – hopefully a sunny one, with you and your children ☺

By Lucas Robson

OUR MAIN FOCUS THIS TERM

Planting at the allotment, growing frogs, observing caterpillars change into butterflies and the seaside, as well as following the interests and passions of the children.

We are also attempting to replace the Big Ben bell in our Elizabethan Tower – look/listen out for it!

SUN CREAM

On these lovely sunny days, would you please ensure you put sun cream on your child before they come to nursery so that they are safe to enjoy the summer sunshine?

SNACK

Thank you for making every effort to pay your weekly snack money. This contribution pays towards the children's daily snack, all the baking ingredients so that children can bake everyday, as well as help with buying food for the guinea pig and chickens.

If you prefer, we can calculate how much your contribution will be until the end of the summer term, to save you thinking about it – just let us know.

ALLOTMENT

There's a lot of planting to do this term, so if anyone has any spare time, we'd appreciate your help with this – working alongside the children.

As the weather hopefully starts to warm up, you can make the decision about whether to send your child in their snowsuit.

FINAL TERM

How time flies! It only seems like 2 minutes since your child was just starting nursery and now look at them – confidently ploughing through their last term at nursery! Please make every effort to support your child and be as involved as you can be in their final term at Nursery.

Can I also ask that all families make every effort to get their children to nursery on time. We need all morning children in school **by 8.45** and all afternoon children in **by 12.45** so that they don't miss valuable teaching and learning opportunities in family group time.

Best Wishes for a Happy Summer Term!

From Becky, on behalf of the Nursery Team ☺

SCHOOL CLOSURE – PD DAY

Nursery and Childcare are closed on Monday 3 June for Professional Development. For those of you who are returning to nursery in September, the children come back to school on Wednesday 4 September (2 and 3 September are Professional Development Days).

DAD'S DAY

You will recall we had 'Ladies Day' in March to celebrate Mother's Day and so now it's the men's turn. On **Friday 14 June**, we will be holding a special day to celebrate Father's Day with all the children. This will be for men only and so we ask that all families make every effort to find a man in the family who will be free that day to come along. We are giving you lots of notice to make arrangements for your child's dad/granddad/uncle/family friend to be free for half a day for this very special treat. It will be fantastic!
