

FUNDRAISING UPDATE

Last term, you helped to raise a total of **£1141.90**

which will be used to buy a new greenhouse for our amazing allotment.

These are the things we did together to reach that total;

- The Sponsored Bookathon raised £898.40
- The Book Shop held during the week of World Book Day raised £130
- The Easter Raffle raised £113.50

This term, we will fundraise again so that we can

take all the children on a visit to the seaside.

The money we raise means your child will have a free seat on the coach.

These are the things we hope you will support us with;

- a summer disco for the children Thursday 12 July 5.00 – 6.30 pm
- the Summer Fayre on Saturday 30 June 2018 11am – 1pm
- book shop and playstuff shop during the last week of term

To make this possible, we need your support and help

On Thursday 7 June, 10.45 – 11.30 or 12.30 – 1.15

we will be having a coffee morning/afternoon with cake to chat about the Fayre and what we'd like to organise for it.

Please pop in, have a cuppa, slice of cake and share ideas with us about how we can make this

the best Summer Fayre for the whole village to enjoy!

Thank you x

Summer 2018

Dear parents, grandparents, friends and families

We are looking forward to our last term together – hopefully a sunny one, with you and your children ☺

'Dinosaurs' by Mason Howey, aged 4 years

OUR MAIN FOCUS THIS TERM

Planting at the allotment, growing frogs,
observing caterpillars change into butterflies
and the seaside,

as well as following the interests and passions of the children.

SNACK

Thank you for making every effort to pay your weekly snack money. This contribution pays towards the children's daily snack, all the baking ingredients so that children can bake everyday, as well as help with buying food for the guinea pig and chickens. If you prefer, we can calculate how much your contribution will be until the end of term, to save you thinking about it – just let us know.

ALLOTMENT

There's a lot of planting to do this term, so if anyone has any spare time, we'd appreciate your help with this – working alongside the children.

As the weather finally starts to warm up, you can make the decision about whether to send your child in their snowsuit. They will hopefully not need it much longer!

FINAL TERM

How time flies! It only seems like 2 minutes since your child was just starting nursery and now look at them – in their last term at nursery! Please make every effort to support your child and be as involved as you can be in their final term at Nursery.

Best wishes for a Happy Summer Term!

From Becky, on behalf of the Nursery Team. ☺

SCHOOL CLOSURE – PD DAY

Nursery and Childcare are closed on Monday 4 June for Professional Development.

DAD'S DAY

You will recall we had 'Ladies Day' in March to celebrate Mother's Day and so now it's the men's turn. On Friday 15 June, we will be holding a special day to celebrate Father's Day with all the children. This will be for men only and so we ask that all families make every effort to find a man in the family who will be free that day to come along. We are giving you lots of notice to make arrangements for your child's dad/granddad/uncle/ another to be free for half a day for this very special treat. It will be fantastic!
